

GOJO SOLUTIONS FOR TOUGH SOILS ENVIRONMENTS

Tough on soils – gentle on skin

GOJO SOLUTIONS FOR TOUGH SOILS ENVIRONMENTS

A comprehensive approach to healthy hands and a clean workplace

For more than 75 years, workers have depended on GOJO® hand cleaners to safely and effectively get their hands clean and help keep their skin healthy. The GOJO solution for tough soil environments combines these proven formulations with the power of PURELL® products, which are universally recognised and trusted for effective protection from germs.

Occupational Dermatitis

Dry, cracked skin can hurt more than just productivity. Employees are more susceptible to skin damage after suffering from occupational dermatitis.

Bulk Soap Contamination

One out of every 4 refillable bulk dispensers is contaminated with unsafe levels of bacteria, leaving hands with up to 25 times more germs after washing than before.¹

Plant-based scrubbing agents

The scrubbing agents in the GOJO tough soils range are naturally occurring by-products of the processing of plants for other purposes. As a result, they are totally eco-friendly.

COMPREHENSIVE SOLUTION FOR A CLEAN & HEALTHY WORKPLACE

GENERAL CLEANSING HANDS / SHOWER	HEAVY DUTY CLEANSING HANDS	HAND SANITISING HANDS	CONDITIONING HANDS	SURFACE SANITISING SURFACE
Help remove general grime and keep skin clean.	Help remove industrial soils with ultra-effective hand cleaners.	Kills up to 99.99% of most common germs.	Help prevent damaged skin by maintaining skin's moisture level.	Ready to use fast acting formula.

A COMPLETE SOLUTION FOR CLEANLINESS

GENERAL CLEANSING

Handwashing is one of the best ways to remove germs and prevent the spread of germs to others.

- Ecolabel certified range
 - A range of foam soaps available that are gentle on the skin
-

HEAVY DUTY CLEANSING

Dry, cracked skin can hurt more than just productivity. Employees are more susceptible to skin damage after suffering from occupational dermatitis.

- Formulations designed to be effective on a variety of soils
 - A selection of formats, including lotion and wipes
-

HAND SANITISING

Made with mild and effective ingredients to provide a healthy, safe and refreshing clean

- Kills up to 99.99% of most common germs
 - Clinically proven to help maintain skin condition²
-

CONDITIONING

Conditioning skin not only helps improve how skin looks and feels, workers can be more productive when their skin is in good condition.

- Specially formulated to meet the demands of industrial workers
 - Unfragranced, non-greasy formula absorbs quickly, with no residue
-

SURFACE SANITISING

Breakthrough technology that combines powerful germ kill and no rinse protection.

- Active against Coronavirus in 30 seconds³
- High antimicrobial efficacy formula for multi-surface performance[†]

SELECTION GUIDE BY SOIL TYPE

GOJO recommends only using mild and effective hand cleaners to help maintain good skin health and address the costs associated with occupational skin disease.

To help select the best product for a particular soil type refer to the selection guide or speak to your GOJO representative for more information.

		GOJO® Natural Scrub Hand Cleaner	GOJO Olive Scrub Hand Cleaner	GOJO SUPRO MAX™ Hand Cleaner	GOJO Hand & Surface Scrubbing Wipes
 TAR	Tar and asphalt fillers, road material and adhesives. <i>i.e. Roofing Tars, Gasket Sealers, Asphalt and Asphalt Sealers, Creosote.</i>	✓	✓	✓	✓
 ADHESIVES	Glue, caulks and other sticky bonding chemicals. <i>i.e. Tub & Tile Caulk, Construction Adhesives, Silicone Sealers.</i>		✓	✓	
 GRAPHITE	Naturally occurring form of carbon. Used within the steel industry as a lubricant. Used to make brake linings and has a variety of other uses.	✓	✓	✓	
 OIL	Animal or petroleum-based liquids, typically with a low level of contaminants or added particulates. <i>i.e. New Lubrication Oil, Cutting Oil, Clean Motor Oil.</i>	✓		✓	✓
 GREASE	Heavy lubricating greases or contaminated oils, heavy carbon content and hard to remove particulates. <i>i.e. Used or Dirty Oil-Based Liquids, Carbon Black (Carbon Dust) Bearing Grease, Brake Dust.</i>	✓		✓	✓
 PAINT	Oil-based paints, stains and inks. <i>i.e. Shellacs, Urethanes, Varnish, Oil-Based Paints, Wood Stains, Modern Printing Inks.</i>		✓	✓	✓
 DIRT	Everyday dirt and dust that is typically not bonded to the skin. <i>i.e. Mud, Clay, Soil.</i>	✓	✓	✓	✓

GOJO TOUGH SOILS FORMULATIONS

GOJO® Tough Soils products offer a professional range of effective, high-quality skin cleaning solutions for removing a spectrum of industrial soils.

- ✓ Innovative formulas with plant-based
- ✓ Reliable dispensing systems
- ✓ Fresh fragrance
- ✓ pH: neutral for the skin

GOJO Natural Scrub Hand Cleaner

GOJO Natural Scrub Hand Cleaner contains plant-based scrubbing particles. The formulation has been developed for use on grease, oil and tar.

CLEANING POWER >>>>>>

- Contains plant-based scrubbers (apricot stones & corn seed) and mild surfactants
- Formula contains plant-based glycerin
- Dermatologically tested

GOJO Olive Scrub Hand Cleaner

GOJO Olive Scrub Hand Cleaner features an olive fragrance and plant-based scrubbing particles. It has been formulated for maximum cleaning power on a variety of soils including tar, paint and adhesive. Ideal for heavy manufacturing, workshops and garages.

CLEANING POWER >>>>>>

- Contains plant-based scrubbers (olive stones) and mild surfactants
- Enriched with plant-based glycerin
- Dermatologically tested

GOJO SUPRO MAX™ Hand Cleaner

Fast and effective hand cleaner with plant-based scrubbers removes tough or sticky soils. Effective on oil, grease, paint, and adhesives.

CLEANING POWER >>>>>>

- Unique blend of cleaners and plant-based scrubbers (crushed walnuts)
- Ideal for plant-wide use, body shops or wherever difficult soils are found
- Non-drying formula

SPECIALITY PORTFOLIO

GOJO® Hand & Surface Scrubbing Wipes

Dual-textured wet wipes with an abrasive side to remove heavy soils and a smooth side that leaves hands soft. Extra-large towels for cleaning hands, arms, tools and surfaces. Cleaning and degreasing formula that has good skin compatibility. For use anywhere heavy-duty cleaning is required; no water needed and suitable for a variety of markets including the construction industry, manufacturing and automobile. Effective against: oil, grease, tar, sealant, varnish, paint, petrol and diesel.

CLEANING POWER

TAR PAINT ADHESIVES GREASE OIL

GOJO HAND MEDIC® Professional Skin Conditioner

Specifically formulated for professional technicians for use in their work environments. Absorbs quickly, with a non-greasy after feel. Use before work, after handwashing and at night to help maintain the skin's natural moisture barrier. Dermatologically tested. Water based and unfragranced.

Placement Boards

Three step placement boards and individual placement boards are available with protocols for hand hygiene regimen.

Please speak to your sales representative for more information.

GOJO® PRO™ TDX™ TOUGH SOILS DISPENSERS

DURABLE, HIGH CAPACITY DISPENSING

Rugged, high capacity GOJO PRO TDX dispensers are engineered to withstand the toughest environments.

The systems have easy to load refills and portion controlled dispensing that helps minimise waste. A fresh valve is included on each refill to ensure there is no contamination, leaks or clogs. Large sight window shows refill inside. Lifetime guarantee.

PRO TDX dispensing system features:

- ✓ High capacity refills for high volume areas
- ✓ One-hand push operation
- ✓ Modern, design with diamond-plate effect looks great in tough soils environments
- ✓ GOJO SANITARY SEALED™ refills
