CREATE A LASTING IMPRESSION

Offering PURELL Advanced Hygienic Hand Sanitising Foam within your facility promotes an impression of cleanliness and hygiene to your staff and guests

ADDED BENEFITS

- GOJO offers PURELL Advanced formulation in hand rub or foam formats – it's your choice
- GOJO SANITARY SEALED™ Refills are SAFE, SMART and SUSTAINABLE

SAFE: Factory-sealed refills reduce the threat of germs. Every new refill comes with a fresh nozzle, so there's no long-term exposure to the washroom environment.

SMART: The snap-in refill supports your customers' image of washroom cleanliness, reduces maintenance time and replacement costs and eliminates the hassle of refilling dispensers from a bulk fill bottle.

SUSTAINABLE: Bottles for our dispensing systems made with 100% recycled PET.

For information relating to the accessories that are available for our dispensers and bottles, please speak to your GOJO Representative.

Use biocides safely. Always read the label and product information before use.
