

# HAND HYGIENE WHERE YOU NEED IT

## PURELL® ES1 Dispensing System

### RELIABLE MANUAL HAND SANITISING DISPENSER THAT CAN BE PLACED ANYWHERE

The PURELL ES1 hand sanitising dispensing system features our smallest footprint of any PURELL dispenser, giving you the flexibility to place the sleek design wherever hand sanitiser is needed in a more integrated way than a tabletop bottle.

- Modern design compliments décor
- Compact size and small footprint, along with mounting accessories, give maximum flexibility of placement
- AT-A-GLANCE™ refills make it easy to see refill level
- Includes PURELL Advanced Hygienic Hand Rub ES1 450 mL refills
- Manual dispenser is cost efficient and low maintenance
- SANITARY SEALED™ PET refills are produced in a sanitary and closed environment to help prevent contamination and are easy to recycle
- Refill snaps into dispenser and securely attaches to walls and surfaces to help prevent theft
- With the pump incorporated in the dispenser, the refill is easy to recycle and creates less waste
- Reliability guarantee

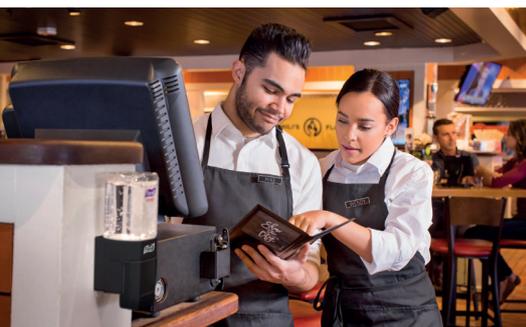

PURELL Advanced Hand Sanitizer Gel – the perfect complement to routine handwashing.

- Use after and between handwashes, or when hands are not visibly soiled, to help maintain hand hygiene
- Kills 99.99% of most common germs that may be harmful
- Perfect for food service, money handling, offices and work place vehicles
