

A clean facility starts with the PURELL SOLUTION™

PURELL® ES8 Dispensing Systems

When you choose the new PURELL ES8 hand hygiene dispensers, you're not only getting trusted hand hygiene products, you're also getting a revolutionary touch-free dispenser design that addresses the two most common service issues – empty dispensers and worn out batteries.

Breakthrough Energy-on-the-Refill Technology

Each refill comes with a coin cell battery that's integrated into the refill. Touch-free dispensing without the hassle of battery change outs.

AT-A-GLANCE™ Refill Design

We make it easy to monitor product levels with one quick look, saving time and labour, and eliminating complaints about empty dispensers.

Built for Sustainable Performance

The PURELL® ES8 dispensing system represents a 68% reduction in battery waste¹, and a 15% reduction in greenhouse gas emissions¹ when compared to leading touch-free systems on the market².

Secure

LOCK OR NOT™ technology can convert to a locking system.

Easy Recycling and Disposal

PET bottle and refill components are easy to disassemble.

Game-changing innovation in dispensing & formulation

PURELL® ES8 TOUCH-FREE

PURELL HEALTHY SOAP™

Introducing PURELL CLEAN RELEASE™ Technology

High Performance – Accesses hard-to-reach areas of the skin 2X better to lift and wash away more than 99% of dirt and germs.^{3,6}

Maintain Skin Health – Gently removes dirt and germs. Excellent skin compatibility even with frequent use. Supports the skin's natural moisture barrier.

Sustainable Formulation – Leaves 2x less residue on the skin¹ and saves 22 litres of water per refill⁵.

PURELL ES8 TOUCH-FREE
