

EFFECTIVE PROTECTION AGAINST SKIN CONTACT WITH WORKPLACE SUBSTANCES

GOJO® PROTECT Pre-Work Skin Cream

A universal professional skin protection cream for use where hands are in contact with water-based and non-water-based preparations and soils, including oil, grease, lubricants and detergents*. Use on clean hands before work and after breaks.

- Forms an invisible protective layer, reducing adverse effects of potentially harmful substances found in common workplace soils from coming into direct contact with the skin
- Makes removal of water-based and non-water-based soils and detergents from the hands easier
- Slightly fragranced
- Non-greasy and does not leave marks once absorbed into the skin
- Easy to apply and quickly absorbed into the skin
- Silicone-free
